MARKETING

We encourage you to identify ways where the program can specifically help your agency promote a positive safety culture. Marketing materials and reminders will be sent throughout the year to help promote participation. Consider promoting the program during staff meetings, emailing the Application Form to employees, or posting the Application Form in employee break rooms.

2021 CHWCA Safety Award Program Overview

SUBMISSIONS

Agency

Agencies must submit an application form and supporting documentation where applicable. Tell us what your agency has done to improve safety at your agency and its effects on your employees. If you haven't implemented anything yet, encourage your management team and employees to develop an idea and solution that can have a positive impact on your agency's safety program. Agencies may send in multiple submissions, but are only eligible for one monetary award.

Employee

Employees must submit an application form and supporting documentation where applicable. The form provides specific instructions on how employees can submit their ideas. To promote enthusiasm, encourage your employees to submit applications as their ideas and solutions arise throughout the year. All employee submissions must be approved by the employee's manager. Employees may send in multiple submissions, but are only eligible for one monetary award.

Email all submissions to Leonel Edwards at leonel.edwards@sedgwick.com. Remember to retain a copy for your records. Once your submission is received, a confirmation email will be sent to the agency. Feel free to contact Leonel with any questions at 916.244.1103.

REMINDER: All submissions must be received by October 22, 2021.

The Risk Management Committee (RMC) will review all submissions and decide on the agency and employee winners at the November RMC meeting. The RMC reserves the right to withhold an agency or employee monetary award if the submission does not meet the awards criteria. In such instances, the agency/employee will receive an Honorable Mention certificate.

RECOGNITION

The agency submitting the "Most Outstanding Award" and the employee submitting the "Most Outstanding Suggestion" will be invited to present their submission to the CHWCA Board of Directors at the Annual CHWCA Board Meeting in May 2022.

All agency and employee submissions will be posted on the CHWCA website for members to access.

AWARD DISTRIBUTION

Agencies may receive their award in the following ways:

- Cash award to the agency
- Off-set future CHWCA premiums
- CHWCA can pay for an employee appreciation event directly

Employees will receive a certificate and check in December. Each agency can decide how to present the awards to their employees.

Agencies will receive their check in December and will be presented with their certificate at the Annual CHWCA Board of Directors meeting in May 2022.

If desired by the agency, the CHWCA Risk Control Manager will come to the agency to present the awards during staff meetings and/or board meetings.
